Greetings 14th Amorgos Tourism Film Festival

The Amorgos International Tourist Film Festival returns for the 14th year, to the beautiful Aegean Amorgos island. A meeting point and inspiration for the tourism development of our country, through the screening of documentaries and tourist films.

A festival of particular importance, not only because short films from Greece and all over the world compete and are awarded, but because mainly through these awards, efforts to promote sustainability and sustainable development, which have been key priorities in recent years, for the Hellenic Tourism Organization.

Oriented on issues related to women, the environment, the preservation and protection of natural and cultural heritage, gastronomy with the presentation of local dishes and products from Amorgos and the Cyclades islands, the festival highlights the quality characteristics of the tourist product that we have as a country and as a destination.

The Greek National Tourism Organization, supports worthy initiatives which highlight the strong identity of the country and are a source of information and promotion of Greece to the ends of the world, as an authentic place of inspiration and creation.

I wish you success at the Festival and good luck in your work!
